

Re: Docket# 98N-1038, "Irradiation in the Production, Processing, and Handling of Food."

I want the FDA to continue prominent labeling of food that has been treated with irradiation. The label should be conspicuous and include the logo for irradiation.

Your Signature: Silver Kallen

Additional comments: It is almost impossible to find "natural" & uncontaminated food as nature intended us to thrive on. The unnatural state of our food has to be considered a major culprit in the epidemic of illnesses in our "civilized" society. Give those of us who care the
